Re: Public Workshop Regarding Management of the Lower White River Flow System

Dear Water Right Holder:

Please take notice that the Nevada State Engineer has set a second Public Workshop for **October 24, 2018, from 9:00 a.m. to 12:00 p.m. at the Moapa Valley Community Center, 320 N. Moapa Valley Blvd., Overton, Nevada.** The purpose of this Public Workshop is to (1) provide an update on the status of the work of the Nevada Division of Water Resources (Division) relating to the management of the *Lower White River Flow System (LWRFS)*, (2) outline the process upon which the State Engineer is considering with respect to the management of the *LWRFS*, and (3) to take public comment on proposed management options.

The Division has made available on its website prior rulings relating to the basins within the *LWRFS*, annual Pumpage Inventories, documents from the July 24, 2018, initial Public Workshop, the August 23, 2018, Hydrologic Review Team (HRT) Meeting, and the September 19, 2018, *LWRFS* Working Group meeting, and additional related data. All these documents may be accessed at <http://water.nv.gov> under the "News" tab, then under the "LWRFS" tab. If you do not have internet access and would like a copy of the documents, please contact the Division of Water Resources at (775) 684-2800.

We are pleased to make reasonable accommodations for members of the public who are disabled and wish to attend the Public Workshop. If special arrangements are required, please notify the Division at the above address or phone number at least five working days before the
