Official Use Only: Permit # _____ Well Log _____

**STATE OF NEVADA
WATER RESOURCES DIVISION
TEMPORARY WELL USE NOTICE & AFFIDAVIT**

Print name of Owner of the property described above.

I fully understand that any present or future property owner under this temporary permit will not be required to cease pumping as long as the well under this temporary permit is operating properly and meets the statutory requirements under Nevada Revised Statute (NRS) 534.120. In addition, the pumpage from the well must not exceed the amount set forth under the temporary permit. If all these conditions are met, the temporary permit will not be subject to revocation until July 1, 2005. However, if a water line is located within the distance specified in NRS 534.120 from the property line of any parcel described under the temporary permit and the existing well needs to be re-drilled or have work done requiring the use of a well drilling rig, the State Engineer may deny a request to perform this work and may require the property owners under this temporary permit to connect to the municipal water system.

If the request for said work is denied, it is understood that I and the other property owners under this temporary permit will be required to connect to the water system and pay the necessary connection costs as well as the costs to plug and abandon the subject well. There are significant costs involved in connecting to a municipal water system and plugging of a well. The proper authorities should be contacted for estimates of those costs.

Pursuant to NRS 534.125, this notice and affidavit will be recorded with the Clark County Recorder in the same manner as conveyances affecting real property are required to be acknowledged and recorded pursuant to Chapter 111 of NRS.

Furthermore, a copy of this affidavit shall be furnished to any subsequent purchaser of this parcel prior to the time the sale is completed. Prior to any sales activity, you should contact the Nevada Division of Real Estate to determine the applicability of NRS Chapter 119, The Land Sales Act, as it relates to this parcel.
