of land, fully understand and accept the conditions listed below and upon which this approval is made.

1. The water use from the well for domestic purposes shall not exceed two (2) acre-feet per year as provided in Chapter 534.180 of the Nevada Revised Statutes (NRS).
2. A totalizing meter shall be installed near the discharge of the well that provides water to the single family residence. This meter shall be easily accessible for meter reading by the DWR and maintained in good working order and shall be installed to measure all water pumped from the well for the purposes of this approval. No water shall be used for any domestic purpose until the meter has been installed.
3. Monthly records of the amount of water pumped from the well for domestic use must be kept and submitted to the State Engineer not later than February 15th of each year.

2.

Pursuant to NRS 53.045, I hereby certify, under penalty of perjury of the laws of the State of Nevada, that the foregoing is true and correct.
