Re: IN THE MATTER OF THE DETERMINATION OF THE RELATIVE RIGHTS IN
AND TO ALL WATERS OF DIAMOND VALLEY, HYDROGRAPHIC BASIN
NUMBER 10-153, EUREKA AND ELKO COUNTIES, NEVADA

Ladies and Gentlemen:

On August 30, 2018, the State Engineer signed the Preliminary Order of Determination concerning the above Adjudication in Diamond Valley. The following day on August 31, an informational letter was mailed by the State Engineer to all parties outlining the timeframe for the inspection of the Proofs of Claims and the deadline for the filing of objections to the Preliminary Order of Determination. The Statement also had a timeframe for the dates of the hearing to address the objections to the Preliminary Order of Determination. Upon review, it appears that Chad and Rosie Bliss, along with Joe Bingham, were unintentionally omitted from the service list for this correspondence. The service list has been updated to include the above mentioned parties in future correspondence and notifications. The deadline for filing objections to this Preliminary Order has been extended for an additional six weeks to **December 19, 2018**, for the above mentioned parties. A copy of the August 31 letter from the State Engineer is enclosed.

Please contact the undersigned or Dan Taylor, Water Resource Specialist II of the Adjudications Section with any questions regarding the foregoing.

Regards,

A handwritten signature in blue ink, appearing to read "Kristen Geddes".
