whose occupation is Registered Nurse, and protests the granting
of Application Number 53992, filed on October 17, 19 90

by Las Vegas Valley Water District
Printed or typed name of applicant
waters of Underground situated in Lincoln
Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

My family owns a hot springs which is our main source of income for my mother-in-law.
Geologic studies done in 1980 showed the flow from our well was tied up with the hot
springs in Ash Springs 50 miles south and west of us. Any lowering of the water
table in Delamar could drastically affect us and our well. Without further study
we feel this would be detrimental to the water rights we already have.

THEREFORE the protestant requests that the application be DENIED
(Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.
