**Re: Protest of Walker River Irrigation District to Application No. 80700 Filed by
National Fish and Wildlife Foundation
Our File No. 1709.0239**

Dear Mr. King:

By letter dated August 3, 2012, legal counsel for the National Fish and Wildlife Foundation ("NFWF") requested an extension of the evidentiary exchange deadlines and the hearing date with respect to Application No. 80700 on behalf of NFWF and several protestants, including the Walker River Irrigation District (the "District"). Nevertheless, the Interim Order and Notice of Hearing required any protestant identified as presenting a case-in-chief to confirm their intention to do so by August 10, 2012.

In accordance with the Interim Order, the District hereby confirms that it intends to present a case-in-chief with respect to Application No. 80700.

Sincerely,

Dale E. Ferguson
