16)

17 The Walker River Paiute Tribe ("Tribe"), by and through its attorney Wes Williams
18 Jr. of the Law Offices of Wes Williams Jr., a professional corporation, hereby submits this
19 Statement of Issues as directed by the Office of the Nevada State Engineer at the pre-hearing
20 conference held in this proceeding on August 31, 2011. The Tribe filed on July 15, 2011 a
21 protest in this proceeding that listed issues that must be addressed by the State Engineer prior
22 to the approval of the Application No. 80700. The Tribe contemplates that most, if not all,
23 of the issues raised in the Tribe's protest will be resolved prior to the hearing in this
24 proceeding. However the Tribe's Protest contains a sufficient list of issues to represent the
25 Tribe's statement of issues at this time. Also the Tribe adopts the reasons stated in the
26 Statement of Issues filed by the United States Bureau of Indian Affairs. The Tribe is
27 prepared to file briefs on any issues raised in these proceedings as directed by the State
28 Engineer.
