and protests the granting

of Application Number 80700, filed on May, 10, 20 11

by National Fish and Wildlife Foundation for the

waters of Walker River and its Tributaries situated in Walker River Basin, Lyon

an underground source or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

I'm a 4th generation Nevadan, a 24 years old woman, who wants my area and agriculture kept viable. I state the following:

Changing the use of water to without the boundaries of Walker River Irrigation District area will definitely Conflict with existing rights. Affecting the following: Water availability and its Costs. - Crippling the efficiency in the delivery of remaining waters. Will unduly limit growth and prosperity to the basin. Many negative environmental impacts. Detrimental to the Publics Interests. Injures Domestic and Irrigation wells. Limits economic stability.

THEREFORE the Protestant requests that the application be DENIED

Denied, issued subject to prior rights, etc., as the case may be

and that an order be entered for such relief as the State Engineer deems just and proper.
