Re: Applications 54022 – 54030

Dear Mr. Ward:

In response to your telephone call today, which concerned the fact that the State Engineer did not reference in his Interim Order No. 1 the Response to Opposition to Applications for Interested Person Status that was filed by Salt Lake County, and Utah and Utah County, Utah, I am informing you that the State Engineer did receive that document on July 1, 2008, that it was reviewed and considered and that it was merely an oversight that it was not referenced in the Interim Order. To alleviate your concern as to the record, please be informed that the response is a matter of record found in the main file as to this matter, that being the file for Application 54022.
