Dear Mr. King, State Engineer,  
Div. of Water Resources.

I am a 1990 protestant but did not  
Participate in the hearings.

I also filed a protest in 2010. I object to  
Paying another \$25 protest. Please honor my  
Protest in the new hearing on what are, in fact,  
the same applications. Please notify me of future hearings.

Sincerely,

Manetta B. Lytle
