

RESOLUTION NO. 2008-01

**RESOLUTION OF THE COYOTE SPRINGS - LINCOLN COUNTY
GENERAL IMPROVEMENT DISTRICT
BOARD OF TRUSTEES
ESTABLISHING A WATER CONSERVATION POLICY**

WHEREAS, the Lincoln County Board of County Commissioners has approved development of the Coyote Springs community by adopting a Planned Unit Development Ordinance and a Development Agreement Ordinance permitting as many as approximately 111,000 residential units to be constructed in the community.

WHEREAS, the Lincoln County Board of County Commissioners has created the Coyote Springs – Lincoln County General Improvement District (CS-LCGID) to provide specified authorized services within the Coyote Springs community.

WHEREAS, the CS-LCGID has been authorized to provide water service within the Coyote Springs community.

WHEREAS, the CS-LCGID Board of Trustees is currently developing and will establish Service Rules for the construction, operation and maintenance of the Coyote Springs water works before providing community water service.

WHEREAS, the CS-LCGID Board of Trustees intends to provide water service in a manner that responsibly conserves the use of water resources.

NOW, THEREFORE, BE IT RESOLVED, that the CS-LCGID Board of Trustees does hereby establish the Policy that the Service Rules established for the provision of water services within the Coyote Springs community will establish mandatory rules for the implementation of water conservation methods.

BE IT FURTHER RESOLVED, that the mandatory water conservation methods included in the Service Rules will consider the water conservation methods adopted by the Clark County – Coyote Springs Water Resources

General Improvement District and the Southern Nevada Home Builders Association "green home building guidelines".
