Subject: A 300-Mile Pipeline is Not the Answer.

Dear Jason King,

As a resident of Las Vegas, NV since 1973, I ask that you dismiss questionable, ecologically-unsound plans to pump and move water from one location in Nevada more than 300 miles to Las Vegas. I appeal to you to respect Nevada's sole national park and make certain the park's resources are sustained for generations to come.

Sincerely,
Ms. Betty Sabo
