Carson City, NV 89701

Subject: A 300-Mile Pipeline is Not the Answer.

Dear Jason King,

No, no, no. Great Basin National Park and its' surrounding pristine lands are all we have here in Nevada. Please, no pipeline. Conserve water! Our resources are NOT in abundance nor should we think they will be in the future. More and more population effects everything. Think conservation!!

Sincerely,  
Ms. Jill Mueller
