State Water Engineer
901 So. Stewart St. Suite 2002
Carson City, NV 89701

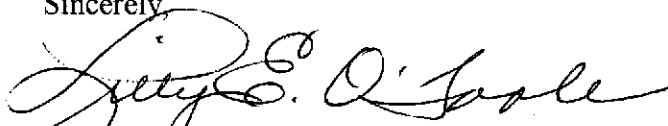

Dear Sir:

We are concerned about the activities of the Southern Nevada Water Authority.

With Nevada's limited water, communities need to live within their own resources.

Please do not allow water to be transferred from any other area for use by Clark County and the Las Vegas Area.

Sincerely,

Lilly E. O'Toole
