Dear Susan Joseph-Taylor,

I feel as though I am writing this letter for nothing. The public knows that your minds (and big money) are set on this crazy idia of a water pipe-line. We are not for it.

How about this: Las Vegas has a BUILDING CONSTRUCTION MORATORIUM. It would save the expense of the stupid pipelins, raise the values of the existing homes in Las Vegas, preserve the Counties North of Clark County and drive a lot of Crack-Pots out of Nevada.

Thank you,

Richard J. Jankiewicz.

(A concerned Citizen).
