State Engineer Jason King  
NV

Dear State Engineer Jason King State Engineer King,

We believe the scientific information is overwhelming: Draining 50 billion gallons of groundwater from the Great Basin would devastate Native American communities, rural economies and wildlife habitat over a huge area.

Further, the families and small businesses of Las Vegas, recovering from a brutal recession, cannot afford the huge price tag for this project.

We can not afford this ... please say NO

Sincerely,

Ruby Burris  
21 Reyburn Dr  
Henderson, NV 89074-3348
