Mr. King

Southern Nevada Water Authority's proposal will risk the livelihood of both those in Eastern Nevada by draining their resources and those in Southern Nevada who will be forced to pay for expensive project.

Please deny SNWA's request for water rights in the Great Basin.

Nevadans cannot afford this project.

Do the right thing, reject the powerful SNWA's proposal. Pat Mulroy's performance is finally to be evaluated and the people of southern Nevada will be providing input. Don't go down in history as the official who did the wrong thing!
