STATE ENGINEERS OFFICE

Based on review of SNWA's initial exchange of exhibits and review of
SNWA_Exh_471_Summary of Witness Testimony, Protestants Millard and Juab Counties do not
have additional witnesses and exhibits to identify in this second exchange.

However, Millard and Juab Counties reserve the right to call Dr. Hugh Hurlow as an
expert rebuttal witness if deemed necessary to rebut testimony and exhibits not anticipated by the
Counties' foregoing review, that are identified in SNWA's second witness exhibit exchange
and/or offered during the remand hearing. In this event, the exhibits to which Dr. Hurlow may
refer are

- (a) exhibits identified and offered by SNWA into evidence at the remand hearing,
- and
- (b) exhibits identified and offered by Millard and Juab Counties into evidence at the
initial hearing in 2011, to which Dr. Hurlow referred during that hearing.
