*With one exception, as follows: Pending applications 43434-43438 and 45798-45832, filed by White Pine County to appropriate up to 26,063 afy of underground water, were denied by the Nevada State Engineer (NSE) on May 9, 2006 (NSE Ruling #5615). Thus, these applications are not included in the summary, above.

Key to Table:

- "VST" = vested
- "RES" = reserved
- "PER" = permitted
- "CER" = certificated
- "DEC" = decreed
- "APP" = application
- "RFA" = ready for action, not protested
- "RFP" = ready for action, protested
- "NDWR_Duty Sum" = Nevada Division of Water Resources (NDWR) Estimate of Total Annual Duty (in acre-feet/year).
- "WRB_Duty Sum" = National Park Service, Water Rights Branch (WRB) Estimate of Total Annual Duty (in acre-feet/year)
- "No." = Number of records

¹With one exception, as follows: Pending applications 43434-43438 and 45798-45832, filed by White Pine County to appropriate up to 26,063 afy of underground water, were denied by the Nevada State Engineer (NSE) on May 9, 2006 (NSE Ruling #5615). Thus, these applications are not included in the summary, above.

²Application to irrigate 320 acres at 4 acre-feet/acre annually (which = 1280 acre-feet/year).

³Type of use is listed as hydropower generation. Continuous diversion was assumed in the computation of the maximum annual duty that could be allowed.
