

IN THE OFFICE OF THE STATE ENGINEER OF THE STATE OF NEVADA

IN THE MATTER OF APPLICATION NUMBER 53989
FILED BY Las Vegas Valley Water District
ON October 17, 1989, TO APPROPRIATE THE
WATERS OF Underground

PROTEST

Comes now William E. Edwards
whose post office address is Box 92
whose occupation is Retired
of Application Number 53989, filed on October 17
by Las Vegas Valley Water District
waters of Underground
County, State of Nevada, for the following reasons and on the following grounds, to wit:

The appropriation of this water when added to the already approved appropriations and dedicated users in the 202 Basin will exceed the annual recharge and safe yield of the basin. Appropriation and use of this magnitude will, lower the water table and degrade the quality of water from existing wells, cause negative hydraulic gradient influences, further cause other negative impacts and will adversely affect existing rights adverse to the public interest.

THEREFORE the protestant requests that the application be Denied
and that an order be entered for such relief as the State Engineer deems just and proper.

Signed Lillian Eldona Edwards
