of Application Number 53991, filed on October 17, 1989

waters of Underground situated in Lincoln

County, State of Nevada, for the following reasons and on the following grounds, to wit:

This application is one of 144 applications filed by the Las Vegas Valley Water District seeking a combined appropriation of some 860,000 acre feet of ground and surface water for municipal use in the Las Vegas Valley Artesian Basin. Diversion and export of such a quantity of water will deprive the county and area of origin of the water needed for its environment and economic well being and will unnecessarily destroy environmental, ecological, scenic and recreational values that the State hold in trust for all its citizens.

THEREFORE the protestant requests that the application be Denied
