Subject: Water Protests

Jason King, State Engineer
Div. of Water Resources
901 @. Stewart Street, Suite 2002
Carson City, Nevada 89701

I have been informed that there is the possibility that my 2010 protests may not be honored or applied in the water hearings scheduled for 2011. My protest was submitted in good faith and in a timely manner. I do not wish to go through the process again including additional payment. Please honor my protest in the new hearing on what are, in fact, the same applications.

Thank you,
Julie Gianoli
