Currency exchange controls and currency export restrictions could negatively impact Wynn Macau.

Currency exchange controls and restrictions on the export of currency by certain countries may negatively impact the success of Wynn Macau. For example, there are currently existing currency exchange controls and restrictions on the export of the renminbi, the currency of China. Restrictions on the export of the renminbi may impede the flow of gaming customers from China to Macau, inhibit the growth of gaming in Macau and negatively impact Wynn Macau's gaming operations.

ITEM 2. PROPERTIES

Las Vegas Land

We currently own approximately 240 acres of land on or near the Las Vegas Strip consisting of approximately 75 acres at the northeast corner of the intersection of Las Vegas Boulevard and Sands Avenue on which Wynn Las Vegas and Encore at Wynn Las Vegas are located, the approximately 142-acre golf course behind Wynn Las Vegas, approximately 5 acres adjacent to the golf course on which an office building is located, and approximately 18 acres located across from the Wynn Las Vegas site at Koval Lane and Sands Avenue, a portion of which is improved with an employee parking garage. Our Las Vegas property, with limited exceptions, is encumbered by a first priority security interest in favor of our lenders under our first mortgage notes and our Wynn Las Vegas bank credit facilities.

Las Vegas Water Rights

We own approximately 834 acre-feet of permitted and certificated water rights, which we currently use to irrigate the golf course. We also own approximately 151.5 acre-feet of permitted and certificated water rights for commercial use. There are significant cost savings and conservation benefits associated with using water supplied pursuant to our water rights. We anticipate using our water rights to support future development of the golf course land.

Macau Land Concessions

The government of Macau owns most of the land in Macau. In most cases, private interests in real property located in Macau are obtained through long-term leases and other grants of rights to use land from the government. In July 2004, our subsidiary, Wynn Macau, S.A., entered into a land concession contract under which Wynn Macau, S.A. leases from the Macau government an approximately 16-acre parcel of land in downtown Macau's inner harbor area where Wynn Macau is located. The term of the land concession contract is 25 years from July 2004, and it may be renewed with government approval for successive periods. Wynn Macau, S.A. paid a land concession premium of approximately 319.4 million patacas (approximately US \$40 million) for this land concession.

In 2009, the Company and the Macau government agreed to modify this land concession as a result of the development of Encore at Wynn Macau and the additional square footage that was added as a result of such development. In November 2009, the Company made an additional one-time land premium payment of approximately 113.4 million patacas (approximately US \$14.2 million). Annual rent of approximately 4.2 million patacas (approximately US \$525,000) is being paid in accordance with the land concession contract.

In addition, we have applied to the government of Macau for a land concession for approximately 52 acres on Cotai for future development and are awaiting final approval. No construction timeline or budget has yet been developed
