

Humboldt River Chronology

Table of Contents

Introduction	iv
Nevada Highway Map	vi
Nevada Facts Map	vii
Humboldt River Basin Map (Figure 1)	viii
Nevada Hydrographic Regions and Basins (Figure 2)	ix
Humboldt River Flow Schematic (Figure 3)	x

VOLUME 1 – OVERVIEW

I. Humboldt River Chronology – Overview	I-1
Introduction	I-1
The Great Basin and the Humboldt River Basin	I-3
A Geographic and Hydrologic Overview of the Humboldt River Basin	I-7
Overview	I-7
The Upper Humboldt River Basin	I-8
The Lower Humboldt River Basin	I-10
Humboldt River Basin Principal Water-Related Issues	I-14
Overview	I-14
Variable Climate and Stream Flows, and Limited Storage Facilities	I-14
Out-of-Basin or Interbasin Water Transfers	I-19
Rangeland Grazing	I-20
Cheatgrass	I-20
Hydrologic Effects of Mine Dewatering	I-20
Habit Restoration for the Native Lahontan Cutthroat Trout	I-21
The Argenta Marsh	I-24
Humboldt River Basin Selected Gaging Station River and Stream Flows	I-27
Hydrologic Delineation of the Humboldt River Basin	I-34
Humboldt River Sub-Basin Analysis	I-36
Overview	I-36
Mary’s River Sub-Basin	I-38
Ruby Mountains Sub-Basin	I-42
North Fork Humboldt River Sub-Basin	I-44
Maggie Creek Sub-Basin	I-47
Elko Reach Sub-Basin	I-50
Pine Valley Sub-Basin	I-53
Reese River Sub-Basin	I-55
Battle Mountain Sub-Basin	I-60
Little Humboldt River Sub-Basin	I-64
Sonoma Reach Sub-Basin	I-66
Lovelock Reach Sub-Basin	I-70
Humboldt River Water Rights, Adjudication, and Related Court Decrees ...	I-74
Overview	I-74
Water Rights Background	I-75

The Adjudication Process	I-78
Upper Humboldt River Basin Water Rights	I-80
Lower Humboldt River Basin Water Rights	I-81
Principal Storage Facilities of the Humboldt River Basin	I-83
Bishop Creek Reservoir	I-83
South Fork Reservoir	I-83
Maggie Creek Dam/Reservoir	I-84
T-S Dam and Reservoir	I-84
Willow Creek Reservoir	I-84
Chimney Reservoir	I-85
Lone Tree (Mine) Cooling Ponds	I-85
Upper and Lower Pitt-Taylor Reservoirs	I-85
Rye Patch Reservoir	I-86
Mining and Mine Dewatering in the Humboldt River Basin	I-86
Mining and Early Settlement of the Humboldt River Basin	I-86
The Carlin Trend and the Era of Nevada’s Modern Gold Mining	I-89
The Mine Dewatering Issue	I-94
Agriculture and Its Importance to the Humboldt River Basin	I-97
Overview	I-97
Water Use Trends and Analysis	I-100
Historical Perspective to Agriculture in the Humboldt River Basin	I-102
The Impacts of Halogeton on Open-Range Grazing	I-103
Tall Whitetop	I-106
Lovelock Valley and the Rye Patch Reservoir	I-108
Current Agricultural Trends – Farm Marketings	I-112
Current Agricultural Trends – Farm Employment	I-114
Livestock Grazing, Cheatgrass, Rangeland Wildfires, and Flooding	I-116
Overview	I-116
Trends in Nevada’s Rangeland Wildfires	I-117
The Cheatgrass “Invasion”	I-120
Historical Perspective of Open-Range Grazing	I-123
Rangeland Grazing, Cheatgrass, Fires and Flooding	I-124
The Great Basin: A Fire-Related Assessment	I-126
Humboldt River Basin Snowpack Water Content Analysis	I-128
Climatic Changes and the Hydrology of the Great Basin	I-133
Part I – Tables and Appendices:	
Table 1 – Great Basin Geographic and Vegetation Zones	I-6
Table 2 – Northern Nevada Principal River Flow Variation Analysis	I-15
Table 3 – Humboldt River Basin Proposed Dam and Reservoir Sites	I-18
Table 4 – Upper Humboldt River Principal Stream Flows	I-28
Table 5 – Northern Nevada River System “Productivity” Comparisons	I-29
Table 6 – Lower Humboldt River Principal Stream Flows	I-31
Table 7 – Humboldt River Main Stem Flows	I-34
Table 8 – USGS Humboldt River Basin Hydrologic Cataloging Units	I-35
Table 9 – Defined Sub-Basins and Hydrographic Areas and Sub-Area	I-38
Table 10 – General Humboldt River Water Rights	I-75
Table 11 – Upper Humboldt River Water Rights	I-81

Table 12 – Lower Humboldt River Water Rights	I-82
Table 13 – Nevada Mining Industry Analysis – 1985-1998	I-91
Table 14 – Humboldt River Basin Mining Employment Trends – 1997-1998 .	I-93
Table 15 – Nevada Gold and Silver Production and Average Prices	I-94
Table 16 – Humboldt River Basin County Irrigated Acres	I-98
Table 17 – Humboldt River Basin Decreed Water Rights	I-99
Table 18 – Agriculture Water Use in the Humboldt River Basin Counties ..	I-101
Table 19 – Humboldt River Basin Farm Marketings	I-113
Table 20 – Humboldt River Basin Agricultural-Related Employment	I-115
Table 21 – Humboldt River Basin Agriculture Productivity	I-116
Table 22 – Humboldt River Basin’s 1999 Burned Acreage	I-119
Table 23 – Northern Nevada Water Basin Snowpack Water Content	I-129
Appendix 1 – Humboldt River Basin Hydrographic Areas	I-137
Appendix 2 – Humboldt River Basin Principal Plant Species	I-139
Appendix 3 – Humboldt River Basin Gaging Station Records	I-140
Part I – Figures:	
Figure 1 – Humboldt River Basin	I-viii
Figure 2 – Nevada Hydrographic Regions and Basins	I-ix
Figure 3 – Humboldt River Flow Schematic and USGS Gaging Stations	I-x
Figure 4 – The Hydrographic Great Basin	I-5
Figure 5 – Humboldt River Annual Flows at Palisade	I-17
Figure 6 – Humboldt River Monthly Average Flows at Palisade	I-17
Figure 7 – Humboldt River Basin Hydrographic Areas and Sub-Area	I-37
Figure 8 – Mary’s River Sub-Basin	I-39
Figure 9 – Ruby Mountains Sub-Basin	I-42
Figure 10 – North Fork Humboldt River Sub-Basin	I-45
Figure 11 – Maggie Creek Sub-Basin	I-48
Figure 12 – Elko Reach Sub-Basin	I-50
Figure 13 – Pine Valley Sub-Basin	I-53
Figure 14 – Reese River Sub-Basin	I-56
Figure 15 – Battle Mountain Sub-Basin	I-60
Figure 16 – Little Humboldt River Sub-Basin	I-64
Figure 17 – Sonoma Reach Sub-Basin	I-67
Figure 18 – Lovelock Reach Sub-Basin	I-70
Figure 19 – Halogeton	I-105
Figure 20 – Upper Humboldt River Basin Snowpack Water Content	I-130
Figure 21 – Lower Humboldt River Basin Snowpack Water Content	I-130
Figure 22 – Ice Age Lakes Lahontan and Bonneville	I-133
Figure 23 – Lake Lahontan’s Sub-Basins and Sills	I-135
Index to Part I	I-142
Endnotes to Part I	I-157
IV. Bibliography	IV-1

VOLUME 2 – CHRONOLOGY

II. Humboldt River Chronology – Pre-Twentieth Century	II-1
III. Humboldt River Chronology – Twentieth and Twenty-First Centuries	III-1
IV. Bibliography	IV-1
