Board Business:

Tim Wilson gave the Board an update on the new water well drilling regulations book. He informed the board that the LCB is preparing the regs book and that it will hopefully be finished by the next Board meeting. Tim went on to say that the new book will be a different color; will have the appendices that were taken out during the last revision; will have additional appendices including casing thickness, annular volumes and conversions and new illustrations and pictures. Tim also informed the Board that in the Carson City office, warning letters for alleged violations have gone out to some drillers and demerits have been assessed to some of those drillers. He also notified the Board that there was a pending action possible against a well driller and that action will be discussed further at the next Board meeting.

Tracy Geter notified the Board warning letters of alleged violations and demerits have also been issued to drillers by the Southern Nevada Branch Office.

Tim Informed the Board that a meeting was held between the Well Drilling Sections of the Carson City office and the Southern Nevada Branch office to bring the two offices on the same page.
