

Nevada Water Initiative

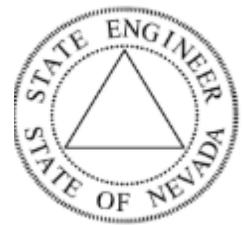

Pine Valley Stakeholder Update

- Tuesday January 7th, 1:30-2:30pm Hay Ranch Meeting Center
- Preliminary update for the Pine Valley Study

- On January 7th at 1:30pm, the Nevada Division of Water Resources (NDWR), U.S. Geological Survey (USGS), and the Desert Research Institute (DRI) will present an update on the Nevada Water Initiative Pine Valley project at the Hay Ranch Meeting Building.

This is a public meeting that will include presentations to inform and update stakeholders on the Pine Valley Hydrologic Study. Following the presentations there will a question and answer session.

- For additional information, please contact:
Kip Allander, NDWR, kallander@water.nv.gov, 775-684-2853
David Smith, USGS, dwsmith@usgs.gov, 775-431-3168
Justin Huntington, DRI, justin.huntington@dri.edu, 775-673-7670
