Las Vegas Office Relocation Announcement

The Nevada Division of Water Resources (NDWR) is pleased to announce the relocation of our Las Vegas office.

Effective August 1, 2026, our new address will be:

**770 E Warm Springs Rd. Suite 270
Las Vegas, NV 89119**

During the week of July 27, 2026, staff will be transitioning to the new office. During this period, there may be temporary disruptions to phone and internet services. In-person services will continue to be available at the old location; however, access may be limited during the transition, so we encourage the public to plan accordingly.

NDWR is committed to minimizing any service disruptions and will keep the public informed throughout the move. We sincerely appreciate your patience and understanding during this exciting transition.

For immediate assistance, please contact the Carson City office at (775) 684-2800.
