WELL DRILLER'S REPORT

(Title of Document)

Per NRS. 534.065 (3) The person who holds the permit to appropriate water must:

- (a) Record the site of the replacement well in the office of the county recorder of each county in which the water is applied to beneficial use and in each county in which the water is diverted from its natural source.

A copy of the completed Well Driller's Report, indicating the location of the replacement well, must be included with this cover page for recording.

This page added to provide additional information required by NRS 111.312 Sections 1-2.

This cover page must be typed or legibly hand printed.
