

Nevada Water Initiative

PHASE I (2022 - 2024) PROGRESS AND FUTURE STUDIES

NWI Study Component Progress

- Humboldt River Baseflow Study
- Current Study Basins
- Phase II Study Basins
- NWI Phase III - LWRFS

Groundwater Discharge Areas

- Completed
- In-Progress

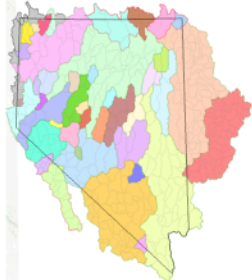

NWI-funded Monitoring Sites

- Springs
- Precipitation
- Groundwater

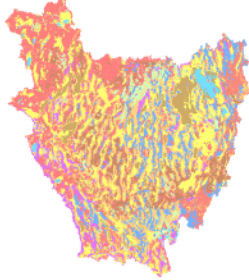

- Reservoirs
- Streams
- NICE Net Stations
- Evapotranspiration Stations
- ◆ Interbasin Flow Sample Locations
- Statewide Agricultural Fields Mapped
- Pumpage Databases Completed
- State Boundaries
- Hydrographic Basins
- Major Rivers and Streams

Published Datasets
